FUEL

I would highly recommend Bellissima to any client, employee or friend. I made a large order of about 80 pizza kits from Bellissima to send out individually around Ireland for a client of mine. Alex, the Sales Manager went above & beyond to ensure each kit arrived on time. The team were a pleasure to work with and they executed the job very well without any issues. To top it all off, everyone absolutely loved their kits!

Thank you Bellissima.

Can't recommend this company enough. I have placed 2 large orders as part of our Sports and Social committee and Alex has been an absolute pleasure to deal with. Both times the service has been excellent with no hiccups – so responsive and helpful. Pizza tastes amazing. Just like a pizzeria!

Thanks guys. Lana

I recently availed of PizzaSi/Bellissima to send 'Pizza Making Kits' to my team who are based throughout Ireland. Unfortunately due to Covid19 we have all been working from home since March and have not had an opportunity to meet up. The 'Pizza Making Kits' went down a treat and we had some fantastic photos of my team and their families to prove. Super service from PizzaSi/Bellissima

Thank you! Sinead.

THE HOME OF IRISH DAIRY

I want to thank Alex and the team at Pizza Bellissima. I was tasked with organising prizes for our virtual Christmas party and was looking for interesting and novel idea when I came across Pizza Bellissima on a Google search. Alex was so helpful and obliging and we arranged Pizza Making DIY Kits with a Bottle of Prosecco which Alex arranged for me. The recipients of the prizes were thrilled with the kit the quality was excellent so we as a company will be using Pizza Bellissima during 2021, the service was amazing. Once again, thank you and best of luck for 2021

Kind regards
Veronica

We placed an order with Alex and team as a thank you gift for our employees working remotely. Small changes were accommodated and the whole process went smoothly! Most importantly everybody enjoyed this unique experience & it was so good they all ordered again themselves. It was a lovely gift that the whole family could enjoy & staff felt appreciated.
